State Representative
Gale Mastrofrancesco
Representing Wolcott & Southington

Rep. Gale Mastrofrancesco

The 2019 Legislative Session will have gaveled to a close by the time you read this column.

With three weeks left in the session, there are many unresolved pieces of legislation yet to be addressed. The biggest being the two-year state budget which funds our state government and provides towns its state education funds. The exact amount of funding our towns will lose is still unknown and any loss of funding will ultimately lead to a property tax increase.

As a member of the Appropriations Committee, I had an opportunity on April 30 th to vote on the committee state budget proposal. Unfortunately, I was unable to support that proposal, a plan which was solely drafted by the Democrat majority on the committee without any Republican input or consultation.

The consistent message I have heard from constituents throughout my district is they want less government and lower taxes. Sadly, the Appropriations budget accomplished neither of these goals. Quite the opposite was actually proposed instead, the size and scope of government increases even though we face a $3 Billion state deficit.

The current budget on the table does not reflect the tough economic conditions on the ground in Connecticut or my district; instead the two-year budget spends over $1 Billion more than the previous state budget. No reduction in state spending was ever discussed in the production of this plan. And just recently an additional $200 million in new spending was voted out of Appropriations Committee. For the past decade, the Democrats' only solution to fixing our state's fiscal climate has been to increase spending and taxes, which has failed. The reality of the budget plan is it will lead to higher taxes for Connecticut residents.

Some other major pieces of legislation still pending that needs to be acted upon before the June 5th midnight session deadline are tolls, the legalization of marijuana, a state-run option insurance program, and expanding gaming in the state. I will keep you updated on the outcome of these big topic issues after the session is completed.

As always, I will continue fighting for your rights, less government intrusion in our lives and advocate for legislation that reduces the tax burden on our taxpayers.

Feel free to contact me on these issues or any other questions or concerns at Gale.Mastrofrancesco@housegop.ct.gov or call 860-240-8700. You can also sign up for my email updates at www.repmastro.com.

Happy Fathers Day

Karen Mowad recently accepted what she feels is one of her greatest honors of all; Connecticut Mother of the Year for 2019 from American Mothers that was presented in Washington DC.

Moms from all 50 states gathered to attend the event which included meetings at Capitol Hill and three days of conference classes to discuss their missions. Karen took the opportunity to talk about foster care and the theme of her speech was "America, this is your Mother Speaking". Karen was nominated by a good friend of hers named Jo-Ann Fonseca who secretly wrote a letter to American Mothers nominating Karen for consideration of the honor and it worked, she won.

Karen Mowad is a prime example of what "Mother of The Year" is all about! She perfectly ties together work, community and family to create a better Wolcott.

She is a foster mom who also serves as a mentor for new foster families in New Haven County, hosting between 10 and 25 families at a time. As a cancer survivor, Karen has helped other cancer survivors through community outreach programs, by providing support and encouragement, and donating funds.

Karen Mowad joined the Wolcott Grange in 2012 and serves as the Treasurer. Through the Grange she collects clothing for the needy and co-founded "Sending Smiles" to perform random acts of kindness each weekend anonymously that can be anything from raking elderly neighbors' leaves to leaving food at someone's door step.

Mrs. Mowad started and works in our community garden to provide fresh produce to the senior center. Karen was recognized by the national grange for her unique and exciting fundraising efforts and in 2009 was awarded a State Citation of Excellence for her community service work.

Recently, Karen was awarded funds to build a Little Free Library in town and is currently working on a Neighbored Assistance Grant.

In the past she volunteered at the Animal Rescue Foundation for many years and was an integral part of getting the shelter reopened.

She is a certified girl scout leader and has worked with the Daisy Scouts.

Karen is a Justice of the Peace and was recently awarded the 2018 Couple Choice Award from Wedding Wire. She is a Notary Public and serves on the Membership Board of the Farmingbury Women's Club. She was part of the 2017 First Responders committee.

Karen Mowad currently serves as the Town Clerk and the Registrar of Vital Statistics for Wolcott. She was previously Assistant Town Clerk for 12 years and Asst. Registrar of Vital Statistics for 16 years. Karen has worked to preserve historic records while moving technology forward. She treats her customers with dignity, respect and kindness.

Karen has dedicated her life to community service and believes that charity starts at home. Karen is a mom to 11 year old Makendra, has adopted 5 year old Genevieve, and has fostered many children.

"News from the Capitol"

Opinion by State Sen. Rob Sampson

Representing Wolcott and Southington

State Sen. Rob Sampson

It's May 15th at 2:30 am and I am still sitting in the Senate chamber. Debate has just concluded on one of the most dangerous bills offered by the majority this session - an expansion of the state's sanctuary policy for illegal immigrants, the Trust Act. This bill eliminates the seven critical exemptions that still remain in our current law which allow local law enforcement to cooperate with federal immigration authorities.

Those exemptions include situations where an undocumented person in custody has been convicted of a felony; is subject to pending criminal charges, has an outstanding arrest warrant, is identified as a known gang member, is identified as a possible match in the federal Terrorist Screening Database, is subject to a final deportation or removal order; or presents an unacceptable risk to public safety.

Contrary to the overt misinformation campaign put forward by proponents of this legislation, it does not protect "immigrants." Listen carefully as they seem to forget the word "illegal" or "undocumented" as if it doesn't matter. Nevertheless, the bill doesn't protect "illegal aliens" either. It protects only one group of people – undocumented aliens who are also criminals wanted by the federal immigration authorities.

It's a bizarre move. I was told whole point of the "Trust Act" was to encourage illegal aliens to report criminals in their communities based on the knowledge that they could "trust" local police and were safe from being reported to federal immigration officers. This bill ultimately applies the same protection to the criminal next door!

The result, of course, is that the public safety of all Connecticut residents will be compromised, citizens and non-citizens alike – even otherwise law-abiding undocumented immigrants.

Despite my best efforts leading the fight in the Senate in opposition, the bill passed with all Republicans voting no and all but one Democrat voting yes. Kudos to Senator Joan Hartley for seeing this for the bad policy that it is. The bill now goes to the House for a vote and if passed will make Connecticut even more of a sanctuary state than California – a "super" sanctuary state!

This is a terrible trend that is sweeping across our country. Much ado has been made about our "broken" immigration system. The broken part, in my opinion, is a tremendous lack of border security, and the desire by most decision makers in Washington to maintain the status quo.

The Democrats continue to use the issue as a tool to deride their political opponents as somehow bigoted or racist simply because they believe in upholding the rule of law. Ironically, it is their policy agenda that includes sanctuary policies, driver's licenses for illegals, a don't ask policy for access to social services, and an open door policy for education and medical benefits, costing taxpayers over a $1 billion in taxes each year in our state. Maintaining the status quo forces undocumented aliens to live in the shadows, work under the table, and risk being preyed upon by the bad actors in their communities – a real problem that will be exacerbated by this bill if it becomes law.

Republicans in Washington are little better, refusing to stand on principle, instead choosing to run from the issue and from its only champion, President Trump. Love him or hate him, one issue he is attempting to lead on is immigration. Others should follow. Wouldn't it be great if even one of our seven Democratic federal representatives made this a priority also?

As I said to the Lt. Governor during this debate, I will continue to focus on doing my job, representing my constituents, defending the Constitution, and advocating for good public policy rather than "gotcha" politics.

As always, don't hesitate to reach out to me at www.senatorsampson.com.

Farmingbury's Outstanding Teen News

Gia Iwanec
Miss Farmingbury's Outstanding Teen 2019

Hey Wolcott,

Happy Spring!!

What a very busy but fun month it was. I can't believe that we are only one month away from the Miss Connecticut Outstanding Teen pageant. I am so excited to be taking the stage this year as Contestant #13. I would like to take the opportunity to thank the Miss Wolcott Scholarship Organization, the volunteers who I mock interviewed with, my dance teachers, our sponsors and supporters for helping me prepare to be my best I can be at the state pageant. Hopefully, 3rd time is a charm!! Wish me luck!!

I started off the month at the Wolcott Easter Egg Hunt. Unfortunately, Mother Nature didn't cooperate but my princess Sophia and I had a lot of indoor fun with the residents of Wolcott. What a great way to kick off the Easter holiday.

Later that afternoon, I hosted my Lights, Camera "Get Into Action" Talent Show – at Tyrell Middle School. Raising funds and awareness for Children's Miracle Network Hospitals and supporting my personal platform "Get Into Action" - Happy Mind, Healthy Body, was super successful. I had over 40 acts and an audience full of love and support. I had the opportunity to crown my four princesses Fallyn, Jayla, Juliana, and Sophia. They were so excited!! One of the most special parts of the night was Miss Connecticut Bridget Oei presented me a proclamation on behalf of Mayor Dunn proclaiming April 15th as the official "Get Into Action" day in Wolcott. It was a perfect night of Action. I would like to thank Mayor Dunn and the Town of Wolcott for making this happen. It truly is a such a honor.

Next was Patriots Day. Thank you Stacy Perrone-Petta for inviting the Wolcott Team to the Patriot's Day Ceremony. It was a beautiful celebration honoring those who have served. Congratulations Stacey on a successful day and thank you to all the brave men and women that protect our beautiful country.

On April 18th we celebrated our beautiful Miss Connecticut's Outstanding Teen Morgan Mancini at her Masquerade Ball. It was such a fun night!! My princesses and I had such a fun time dancing the night away! Tradition is, the Masquerade Ball serves as a fundraiser raising funds to help with preparing the next Miss Connecticut's Outstanding Teen for Nationals. Morgan has been such an incredible leader for us teens. We are so lucky to have her as a role model representing our Organization.

On April 23rd I added Saint Lawrence Elementary School to my School Tour. I had the opportunity to educate the students on the importance of physical activity and exercise by introducing my "Get Into Action" Program. The students had such a fun time and learned a lot about the benefits of movement. Thank you Ms. Vollero for allowing me to come in.

On Monday April 29th I had the honor of being a select student chosen to kick start the inauguration week of Dr. Judy Olian at Quinnipiac University. It was a day focused on Global Citizenship. We had the opportunity to tour the campus and choose two courses to learn from. I chose Business and Broadcast and Journalism. I would love to go and continue my education and pursue a career in Marketing. It was an amazing opportunity and I absolutely loved Quinnipiac University. Who knows……maybe I will be a "Bob Cat". Stay tuned……

On Saturday May 4th we brought the Kentucky Derby to Connecticut to kick off the Miss Connecticut Pageant. My hat was inspired by my favorite quote by Walt Disney "All our dreams can come true if we have the courage to pursue them". I wore a black and white polka-dot fascinator with a large red bow channeling my inner Minnie Mouse and my princesses hat each displayed a hint of their favorite Disney princesses. It was a beautiful day!

Wesleyan University was my next stop where I participated in a photoshoot for the Connecticut Fashion Magazine "Stashing The Sash" issue with Mike Chaiken. Even though the weather didn't cooperate, I think we got some great shots. I'm so excited to see the published article.

Later that day, I performed in a talent show fundraiser benefitting Children's Miracle Network Hospitals all while supporting a fellow contestant.

I celebrated #MoveITMonday at Orange Health Care with the residents. This month, we enjoyed adding Freeze Dance and the Hookie Pookie to our exercise routine. The residents really enjoyed new activities. I always leave there feeling like I made a difference in their day.

My final stop of the month was the Town of North Haven's town meeting. I was honored to have been presented with a Proclamation for a "Get Into Action" day in North Haven. First Selectman, Mr. Freda invited me to the town meeting. I was able to talk about myself and my involvement with the Miss Connecticut Organization and share the details about my "Get Into Action" program with the Town of North Haven – I even got to be on North Haven TV! I am so grateful to both Mayor Dunn of Wolcott and First Selectman Mr. Freda of North Haven for proclaiming these dates in their towns. Hopefully Wolcott and North Haven will continue to "Get Into Action".

I will end my article with this inspiration quote: "She remembered who she was and the game changed."

Stay tuned to see what I am up to next month!

Hugs,

Gia Frances Iwanec,
Miss Farmingbury's Outstanding Teen

Miss Wolcott's News

Jillian Duffy
Miss Wolcott 2019

I want to first thank each and everyone who attended my reclaimed wood party for the kids! We had so much fun, and were able to go home with really beautiful pieces of art! I am forever thankful for the love and support of my family and friends. I was honored to be asked to sing the National Anthem at the Exchange Club of Wolcott 2019 Public Service Awards. The event highlighted four individuals for their service to Wolcott and the community. Thank you so much for having me!

Also this month fell the annual Miss Connecticut Gala. This year, the event was Kentucky Derby themed, and each candidate was asked to decorate a hat to represent something interesting about them! I decorated my hat with my "Bunnies in a Box" project in mind, as it is a very special project to me that not only benefits the children at Connecticut Children's Medical Center, but also to educate children on the little things that they can do to put a smile on another's face!

As Miss Connecticut approaches, I am continuing my preparations. I am so excited to step on the stage this June!

Respectfully yours,
Jillian Duffy

Wolcott's Outstanding Teen News

Monika Korbusieski
Miss Wolcott's Outstanding Teen 2019

Hello everyone!

This is Miss Wolcott's Outstanding Teen, Monika Korbusieski giving you a little update on my life.

These past few weeks have been a lot of fun.

To start it off we had the Masquerade Ball and the Kentucky Derby Brunch. Not only was there amazing foods at these events, but I also danced the night away and got to hang out with the other titleholders and their princesses. It was such a great event and definitely something I will never forget.

We also have been attending many appearances. One that stands out is the Simsbury Triathlon. I went to this event with Miss Fairfield County's Outstanding Teen, Ashlyn. This really stands out because the weather was not on our side for that
appearance. However, it was such a fun event and it was unbelievable to see how fast the winner completed the race. I was also shocked to see how many triathletes came and ran,
seeing how bad the weather was. After the race was over there was food for the triathletes and we had such a great time! It was such a fun appearance and definitely one I will never forget.

We have had a very busy month preparing for the Miss Connecticut Outstanding Teen Pageant. I have been attending many mock interviews, practiced modeling, and keeping a healthy lifestyle. I am so excited about the pageant and it is coming up before I know it. I cannot believe in less than one month I will be competing for my dream job. My personal life has been pretty exciting, being Miss Wolcott's Outstanding Teen in 2019.

Recently it was my 16th birthday and I knew exactly what I wanted to do, which was to get my permit. I have been looking forward to driving for a few years so when I passed, it was like a dream come true. Now you can find me around Wolcott
driving with my dad, following all the rules of the road of course.

Another experience that happened is I went to Junior Prom. I had such a great time and cannot wait to go again next year. To end off my article, as always, with a quote… "A champion is defined not by their wins, but how they can recover when they fall" ~ Serena Williams.

Respectfully Yours,
Monika Korbusieski

Target On Tyrrell

Graffiti Wall

To prepare for our Holocaust unit, students on the Pearl team completed a gallery walk that included seven stations. These stations were designed to get students thinking about this tragic event in history. Students browsed maps of concentration camps, excerpts from diaries, and photos. As a culminating activity, students were asked to think of a word or phrase that resonates with them after reading and observing all of the information. With the help of Mr. Kelsey, the students created a Graffiti Wall expressing these emotions and thoughts. The teachers could not be more ecstatic about what the students came up with and created!

World Language Food Fair

The annual World Language Food Fair was held on March 28th as the culminating activity in observance of World Language Month. Students researched and prepared foods related to different countries. Over 25 different countries were represented, and it was extremely well attended by approximately 200 parents, students, and staff throughout the district.

Sixth Grade Cosmic Cultures

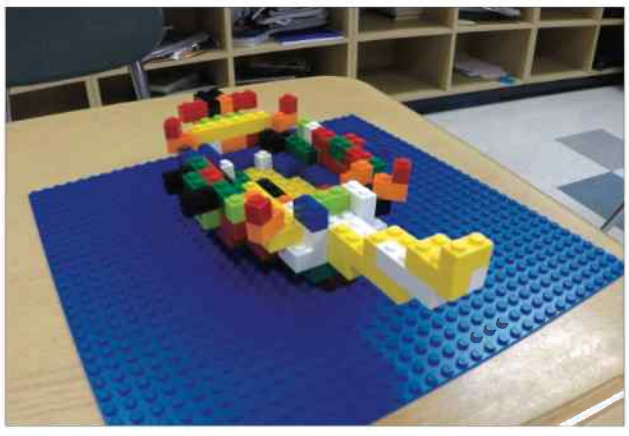
Nearly 20 sixth graders from the Cosmic Cultures II grant spent a day at the Peabody and Eli Whitney Museums learning about Ancient Egyptian culture.

Seventh Grade project Explore Students

7th grade Project Explore students are working on building a pallet planter with recycled materials under the guidance of Mr. Mirto.

April Students of the Month

First Row: Jessica Testa, Drew Caouette, James DeCarlo, Carter Effrece, Rafiya Chowdhury.
Second Row: Alex Brown, Gloria Japs, Kimberly Langlais, Rachel Leone, Sienna Chacon.



Greek Day

On Friday, April 12th , seventh grade students at Tyrrell Middle School participated in the 11th Annual Greek Day Competition. Students have been studying ancient Greece in their Social Studies classes and have immersed themselves in Greek culture, geography, history and mythology. The competition, which pitted each homeroom against another, was a great success. This year's winner was 7th grade Math teacher, Ms. Boisvert's homeroom.

Children's Village

Children's Village provides a designated space with a nurturing and caring staff, and a warm and encouraging area to explore.

We have started expanding our walking trails to make additional adventures available

This newly remodeled, NAEYC accredited facility allows children from the time they are infants to the time they are ready to enter school for the first time, to remain at the same place that they have come to feel safe, cared for, encouraged, and prepared for entering preschool and beyond.

Florence Goodman

On Saturday, May 11, 2019 I was invited to a "Ceremony of Remembrance" for three Wolcott Lions who passed away this year. As I stood at the monument located on the Lion's Fairground property with family, friends and Lion's members and listened to Corky Mazurek speak about each man, I thought it was an important part of our history that should be shared with others who were not present. So this month I will share with you Corky's words at this beautiful ceremony.

"We gather today to pay our respects to three outstanding Wolcott Lions who have unfortunately left us. Richard T. Renkun Jr, Warren Barratt, and Edward Wilensky all passed away this year. We were joined with them by a common bond to help the less fortunate. These three gentlemen received numerous awards and served our community collectively for 128 years. I would like all of us to remember the words of **Albert Schweitzer,** *'It is not enough merely to exist. It's not enough to say, I'm earning enough to support my family. I do my work well. I'm a good father, husband, and church-goer. That's all very well. But you must do something more. Seek always to do some good, somewhere. Every man has to seek in his own way to realize his true worth. You must give some time to your fellow man. Even if it's a little thing, do something for those who need help, something for which you get no pay but the privilege of doing it. For remember, you don't live in a world all your own. Your brothers are here too.'* I believe all of us here today believe these gentlemen lived by this rule as we do.

Richard Renkun Jr.

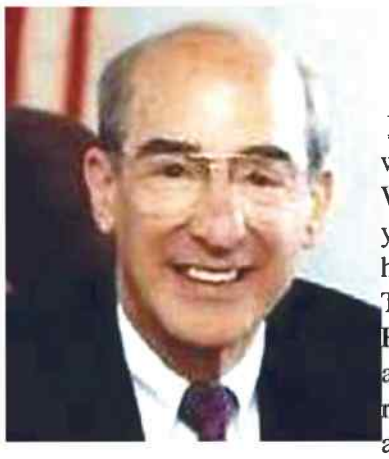
Richard Renkun was married to the love of his life Ellie for 45 years. He was a 27-year member or our club having received "The Lion of the Year" award in both 2003 and again in 2010. Additionally he received the prestigious "Melvin Jones Fellowship" award in 2003 and the"Ambassador for Sight" award in 2007. For his ongoing support of the "Fidelco Guide Dog Foundation" he was awarded "the Loyal Shepard" and "Fellow and Companion for Life" awards. Dick was instrumental in the development of our beautiful property. The monument, which now carries his name, was designed by Dick as a lasting tribute to our deceased members.

"Lion Lou"

"Lion Dick"

Warren Barrett

Warren Barratt was married to his wife Kay for over 36 years. He was the father of three children Judith, Richard and William. Warren was a 45-year member of the Wolcott Lions and was the recipient of the "Knight of the Blind Award" in 1995 and received a "Melvin Jones Fellowship" award in 2009 for his humanitarian service. Warren was awarded a life membership in the Wolcott Lions Club. Warren was a quiet man particularly during club meetings, but he was first in line to volunteer his time at a club activity. I can still see Warren sitting at the entrance to our pancake breakfast greeting patrons and collecting money.



Edward Wilensky

Edward Wilensky was mayor of Wolcott for 10 years. He was happily married to Terry for 70 years. He served in the army in WWII and received numerous awards and citations for bravery including the "Purple Heart" and the "Bronze Medal." He was a proud member of the Wolcott Lions for 54 years and was awarded a Life Membership. He served twice as our Club President, once in 1973 and then again in 1981. Ed was the recipient of the esteemed "Melvin Jones Fellowship". He was an extremely friendly, engaging gentleman who always wore a smile and a white shirt and tie. He was a politician in the good sense of the word and could speak at length, anytime, on any subject.

In closing I would like to share a quote by **Maya Angelou** that best describes the lives and character of these three gentlemen. *'If you find in your heart to care for somebody else, you will have succeeded.'* Thank you Dick, Warren, and Ed for being a part of our lives and our mission. We are going to miss you. And thank you Ellie, Kay, and Terry for sharing them with us.

Thank you Corkey Mazurek for allowing me to share this with my readers. These three men served the Lions and the residents of Wolcott well and we thank them for the time they spent helping others.

The Lions monument was the brainchild of Richard Renkun who wanted to do something after his best friend and fellow Lion, Lou Albert passed away. On the back of the monument is the following inscription: "Donated by Lion Richard T. Renkun Jr. dedicated in memory of my best friend Louis J. Albert and all Lions that have served."

(Information for this article was written by Corky Mazurek and delivered on May 11, 2019 at the Lion's Ceremony of Remembrance)

The greens keepers at Farmingbury Hills Golf Course have been busy getting the golf course ready for tee times. Now if only mother nature would cooperate and hold back on the number of rain days, the course would be used a lot more.

Gia Frances Iwanec, Miss Farmingbury's OT and her four adorable princesses attended a Masquerade Ball, hosted by Morgan Mancini, Miss Connecticut's Outstanding Teen 2018!

This fundraiser was held to benefit Morgan's successor as she prepares to compete for the national pageant this coming summer!

Review of March, A Look Ahead through June

A Review of April

- Average Daily High: 61.1 F / Normal: 60.5 F / Departure: 0.6 F above normal
- Average Nightly Low: 40.9 F / Normal: 38.4 F / Departure: 2.5 F above normal
- Average Monthly Temperature: 51.0 F /Normal: 49.4 F/ Departure: 1.6 F above normal
- Highest Temperature: 78 degrees on the 13th and 19th
- Lowest Temperature: 22 degrees on the 2nd
- Precipitation: 8.06" / Normal: 3.72" / Departure: 4.34" Surplus
- Snowfall: Trace / Normal: 1.4" / Departure: 1.4" Deficit
- Seasonal Snowfall: 40.1" / Normal: 40.5" / Departure: 0.4" Deficit

If you are suffering from "cabin fever" it's with good reason! Overall April 2019 was a ridiculously wet month, not a record though, the record April rainfall occurred in 1983 with 9.9". Incredibly during the month past, 21 out of 30 days had measureable rainfall!

A Look Ahead through June:

Get ready for the Summer Solstice, this year on June 21st . On this day we will enjoy 15 hours and 13 minutes of daylight. Sunset on June 1 st is 8:19 PM, on the 30 th sunset is 8:29PM. As the days lengthen and as the sun's angle steepens, the atmosphere warms! Daily high temperatures rise all month, from the middle 70s to the lower 80s. Nightly lows rise from the middle 50s to the lower 60s. The chances for "muggy" weather increase too; early June the odds of a muggy day are 8%. By the 30 th the chance for high humidity is 29%.

June rainfall is mainly from passing showers and thunderstorms. It's rare to see an entirely rainy day as the mean jet stream lifts north to Canada. This is important because storms move along the jet with cold air to the north, warm air to the south. In April through early May, we've been mired in a "just north of the jet stream" pattern, squarely in the colder air and in a "shooting gallery" of storms riding along the jet. The good news is typically we can expect this pattern to shift hundreds of miles to our north in the summer!

The severe weather season is now underway with thunderstorm chances increasing. Remember, when a "watch" is issued, conditions are ripe for severe weather, stay informed! If a watch upgrades to a "warning" severe weather is in the area, or imminent! Criterion for the issuance of a severe thunderstorm warning: a damaging wind potential of gusts 58 mph or greater and/or a damaging hail potential of 1" or larger.

Exciting news: please bookmark my website: www.bradfieldweather.com You can get your daily forecast updates, loopable, pause-able and zoomable radar, and listen for our weekly podcasts! We also do special broadcasts prior to any storm threat. On our podcasts I team up with radio veteran Dan Lovallo!

Park and Rec Happenings

Wolcott's Annual Easter Egg Hunt was held on Saturday, April 13, 2019. Because of the threat of rain it was held in the Youth Center behind Frisbie School. Despite the change of venue we had a great turnout. All the children got bags full of candy and the chance to win one of the many raffle prizes available. The raffle prizes were a variety of prefilled baskets, stuffed animals and 13 bikes!

I would like to thank all the organizations who donated this year. Those organizations are Junior Women's Club, Farmingbury Women's Club, Wolcott Auto Exchange, Wolcott Lions Club, American Legion Post #165, and Joe and Cyndy Bissonnette. A special thanks to Lieutenant Malloy and DARE, without who's continued support and donations this event would not be such a success.

I would also like to thank Mayor Dunn, Miss Wolcott Jillian Duffy, Miss Wolcott's Outstanding Teen Monika Korbusieski, Miss Farmingbury's Outstanding Teen Gia Frances Iwanec and all their princesses and Little Miss Wolcott and Little Mr. Wolcott for attending and all the help they gave.

And thank you to all the parents and children who came and enjoyed the day! Hope to see you all again next year.

From the Board of Education & Superintendent

We'd like to commend and congratulate our faculty and administration on a large number of accomplishments this year. Across all phases of our school community, we have much to be proud of.

- We learned this week that Wolcott High School's performance on the SAT has increased by 8.6% from last year to this year and is up over a four-year trend as well.

- On our internal, i-Ready assessments, students are showing good growth as well. Both ELA and Math are up 2.5% since this time last year.

- Wolcott High School was awarded the College Board Honor Roll for the number of students taking and passing Advanced Placement tests and was also named as among the top 10% of high schools in the state for awarding UCONN credit.

- We have improved our student attendance rate over time. For both the general student population and among students designated as "high need" we now have the best student attendance rates among all similar districts.

- In fact, for overall Accountability Index score, SBAC English Language Arts, SBAC Math, chronic absenteeism, success on college-and-career-readiness exams, on-track to graduation measures, high-need student graduation rate, acceptance into two- and four- year colleges, and even physical fitness we rank first among similar Connecticut school districts.

- Where, just a short time ago, our performance was similar to districts like Cromwell, Region 14, and Berlin... We now outperform many more affluent districts such as Bolton, Canton, Glastonbury, East Lyme, Westbrook, and Madison.

- Our students are succeeding outside of the classrooms as well with awards, recognitions, and championships in athletics, robotics, and the Invention Convention.

These accomplishments would not be possible without a strong dedication from all facets of our school community: our supportive Board of Education, dedicated Central Office staff, school administrators, teachers, counselors, mental health professionals, and support staff of all types. We are proving what can be accomplished when all members of an organization collaborate and hold each other to high expectations.

In partnership,
Lori Delbuono Bartlett, Board of Education Chairman
Tony Gasper, Ed.D., Superintendent of Schools

From Left to Right: Dr. Anthony Gasper; Ashley Praskievicz; Christopher Lagasse; Emily Conway; and Teddy Macary

On March 14, 2019 the Litchfield County Superintendent's Association honored the 2019 Student Recognition Award Recipients. This year's Award Recipients for the Wolcott Public Schools are:

Her ability to balance academics and extracurricular activities is worthy of praise.

Teddy Macary is an 8 th grade studen at Tyrrell Middle School. Teddy demonstrates an impressive work ethic and outstanding character in all of his classes. He is a model student that his peers gravitate to. In addition to being an excellent student, Teddy is also involved in various athletic programs in town, serves as a math tutor for grade 7 students and is a member of the Student Council. Teddy also serves his community through volunteering in programs for the Wolcott Town Library and volunteers to serve food to those in need through various church programs.

Wolcott High School:
Ashley Praskievicz is a 12th grade student at Wolcott High School. She is an excellent student who also excels outside of the classroom. Ashely is Team Captain of Unified Sports and never misses a practice or a game. She is always upbeat and dedicates her time and energy to helping students with disabilities. She has coached gymnastics, babysits outside of school, and is an active member of her church community. Boy Scout Troop 230

Scouts in Boy Scout Troop 230 have been busy this spring. The Troop just returned from a camping overnight in Gettysburg, PA.

In Gettysburbg they had the opportunity to camp and to learn more about our Country's history.

Weekly meetings have been filled with numerous fitness activities welcoming the new Scouts and organizational planning to prepare for upcoming events.

Additionally, the Troop has been busy in the community. The Scouts participated in Wolcott's Patriots' Day ceremony. They helped rebuild and spring clean with "HomeFront", a home repair program that provides free repairs to low-income homeowners in Connecticut.

Teh Boy Scout Troop will also be helping at Wolcott's Special Games.

The boys will round out their spring with a camping weekend in Litchfield, marching in Wolcott's Memorial Day Parade and the June Court of Honor.

Waterbury Symphony Orchestra presents **FREE** community concert

WATERBURY, CT—May 2019 — The Waterbury Symphony Orchestra announces a free community concert on Sunday, June 2, 2019 at 5 PM at Taft School's Woodward Chapel.

This program was the brainchild of and is made possible through the generosity of Norman S. Drubner. "Programs like this are important because they expose both students and the general public to songs from the "The Great American Songbook" era, which is the foundation of truly American music," according to Drubner. Waterbury Symphony Executive Director, Robert Cinnante, agrees, "These workshops not only provide valuable coaching to young performers, they help preserve the legacy and heritage of American music." Thy Eagle's Nest

Donation Center ~ 36 Townline Road
Wolcott, CT 06716

thyeaglesnest@gmail.com

Greetings from Thy Eagle's Nest! The days may seem to be constantly rainy, dreary, and cold, but I hope we can all cling to the warm reminder of the oncoming summer season! I promise, somewhere behind all those clouds of gray are sunny July pool days!

On a positive note, we at Thy Eagle's Nest have some very exciting news to announce: we have been fortunate enough to be chosen for the honor of recognition by the Wolcott Chamber of Commerce. We are so proud to share that on April 4th during the Wolcott Chamber of Commerce 60th Annual Awards Dinner, we were able to accept the Sandy Marino Sr. - Distinguished Service Award for our work at Thy Eagle's Nest!

We have come a long way from our humble beginnings. Thy Eagle's Nest began in 2012 in the home of our wonderful leader, Ms. Christine Nelson, where she and several other moms decided to brainstorm ways of getting youth involved in service in our community. As donations began to pour in and her house was no longer able to sustain the growing amount of activity, Thy Eagle's Nest found its home at 36 Townline Rd. Today, we are happy to say that we serve 5-7 families weekly and collaborate with over 100 students per year, as well as various organizations including the Excel Club at Wolcott High School, the Hospitality Center, the Wolcott school system, the Wheeler Clinic, as well as the Wolcott Food Pantry, but also that we are continuing to encourage youth services in the Wolcott and Greater Waterbury area. There are so many people to thank for their contributions along the way, we are grateful to anyone that has ever lent a helping hand. This distinction as well as our work would absolutely not be possible without our organizers, countless volunteers over the years, community, and people like you. For this, we are truly grateful.

We also participated in Give Local, so for all those who gave we thank you! As always, we are grateful for your generosity and value every contribution made. At Thy Eagle's Nest, we make sure every donation is put to bettering the community of Wolcott and the surrounding area as well. And remember, brighter days are ahead!

Thank you for reading and God bless!

CHASE COLLEGIATE MIDDLE SCHOOL PRODUCTIONS WILL ENCOURAGE ALL TO 'LOOK TO THE RAINBOW' THROUGH THEIR PRODUCTION OF 'FINIAN'S RAINBOW JR.' BEGINNING ON MAY 17TH, IN WATERBURY, CT.

WATERBURY, CT MAY 6, 2019– Audience members will be kicking up their heels and dancing an Irish jig over Chase Collegiate Middle School students' production of Finian's Rainbow JR. The whimsical musical-with-a-social-conscience explores important themes of responsibility to our community and features classic songs including, "How Are Things in Glocca Morra?," "Old Devil Moon," "When I'm Not Near the Girl I Love," and "Look to the Rainbow." Finian's Rainbow JR. is part of the Music Theatre International (MTI) Broadway Junior Collection®, MTI's special collection of musicals for younger performers which includes "JR." titles, 60-minute musicals for performance by middle school children; and "KIDS" titles, 30-minute musicals for performance by elementary school children.

"In Finian's Rainbow, Finian plants gold in the ground in hopes that it will grow into an even bigger fortune. Chase Collegiate Arts Program is building its own future treasure in the community by encouraging students to create their own interpretation of this classic show. These young artists have learned and applied life lessons like communication and collaboration through working together, which in turn will help them become better citizens. We hope you will join MTI in applauding their hard work." says Freddie Gershon, CEO of MTI.

Wolcott High School will hold its Fifty-Eighth Annual Commencement exercises on Friday, June 14, 2019 at 7:00 p.m.

The Class of 2019 Valedictorian is Elisa Shaholli, daughter of Besnik and Miriana Shaholli.

Young Musicians Honored

The Wolcott High School Music Department would like to congratulate its young musicians for a fantastic year participating in the CT Music Educators Association's Festival program! Wolcott had 10 young musicians chosen to represent our high school at the CMEA Southern Region Music Festival in January. Those students were Joseph Cantamessa, Kelsey Guinipero, Riley Martin, Alexandra O'Meara, Ava Onofreo, Caidan Pilarski, Skylar Romsky, Matthew Ruegg, Reagan Smith, and Kaitlynn Styles. These students performed with the top musicians in our region in the areas of Choir and Band.

Two students from this group were selected to represent Wolcott at the CMEA All State Festival in April. Congratulations to Kelsey Guinipero and Riley Martin!

The girls had the opportunity to sing with the top musicians in our state at the Hartford Convention Center. Congratulations to all of our young musicians!
